Messrs. Polk Miller & Co.:

Gentlemen.—I have used the "LUNENBURG LITHIA WATER" with decided benefit in several cases of Dyspepsia and Indigestion occurring both in adults and children. In one case especially, where indigestion was accompanied by headache, the result was something marvellous. Doubtless, when better known to the faculty, this Water will acquire a high rank among the medicinal springs of Virginia.

ED. T. ROBINSON, M. D. Richmond, June 17, 1878.

I have found the "LUNENBURG LITHIA WA-TER" beneficial in various forms of Dyspepsia. The very decided and sedative influence this Water exerts upon the gastro enteric mucous membrane gives it a wide range of applicability. JAMES A. AGNEW, M. D., Burkeville, VA.

I commend it as a most valuable agent in Dyspensia, especially that form accompanied by acid eructations. I have witnessed a most obstinate case—one that resisted the whole materia medicavield to the effects of this Water. I also commend it as a Febrifuge. W.J.ALLEN, M. D.
